Fort Worth, Texas

Here you see how convenient Baker Bros.' Bedford Nursery Farm is to customers in the Fort Worth-Dallas area. A trip out this way may save you real money in the months ahead!

A standing invitation to **visit our modern new nursery . . .**

If you want to see the plants and trees listed in this book, you have only to drive about ten miles northeast of Fort Worth, to our new 340-acre Bedford Farm, where most of these plants are growing.

Here modern practices — such as portable irrigation systems, the use of nursery tractors, and large lathhouses for the production of container-grown stock — are being used on fine fertile soil to produce the best in nursery stock.

Please call on us so that we may have the pleasure of showing you our nursery.

Office: TErmiNal 4-2222

Farm: ATlas 4-3944

You'll appreciate Baker Bros.' service!

For more than 75 years, we have taken pride in serving satisfied customers with complete stocks, good assortments of high quality nursery stock.

We offer van truck delivery in truckload lots direct from our nursery to you. The stock is picked up in our fields and arrives in good condition, due to special care in packing and minimum of handling. Ask us for quotations on delivery to your place of business.
